

THE STRENGTH AND POWER OF YOUR UNION IS IN YOUR HANDS

The 2026 General Assembly session was the most significant for public employees in generations.

WHY?..... COLLECTIVE BARGAINING.

It is important that you understand why the passage of HB 1263 is so significant for state and public employees. This legislation is truly a game changer. Over the coming weeks, we will be hosting Zoom meetings to ensure as many employees as possible are informed.

This is a big deal. For the first time in the Commonwealth, public employees will have the opportunity to take a seat at the table and bargain collectively for wages, benefits, and working conditions. However, this opportunity only becomes meaningful if employees come together and make that choice.

Complete the information below to be added to our weekly Zoom meetings. These meetings will be a great opportunity for you to learn more about what just happened in the legislative session and what it means for you.

A Zoom invitation link will be emailed to you with the information to dial in. You will also have the opportunity to hear from our CWA/NCPSO President, Charles "Bubba" Craddock and District 2-13 Chief Organizer, Terry Garner.
